to me

Dear (Jane):

Thank you for writing to me and sharing your family's story about allegations of sexual abuse. I know this has been a very difficult time and I appreciate you speaking out on this and including Crissy and I in your correspondence.

After careful review of your letter, I have determined that the Department of Children's Services is the best agency to address this matter. Therefore, I have forwarded your message to Commissioner Bonnie Hommrich's office for consideration. If you have any further questions, please feel free to contact my office at 615-253-7730.

Again, thank you for taking the time to write. Please accept my best wishes as your family recovers from this incident.

Warmest regards,

Bill Haslam
