Re: News from ClearView

Mark,

We appreciate how Clearview is moving ahead quickly to fill John Duval's position. He had an important role in the church and was a blessing to many people. May I ask a question about Mark Satterfield? Perhaps this will be addressed on Sunday, but my understanding from the email below is that he is currently serving as young adult and missions pastor at FBC-Hendersonville. If God is blessing his ministry and it is flourishing, I'm curious why he is looking to change churches. Also, is FBC-Hendersonville aware and in support of his decision to leave?

Thanks,xxxxxxxxxxxxxxxxxxxx

Thanks xxxxxxxxxx Mark was not looking to change churches. I got plenty of resumes from guys looking to leave their current ministry. I had no interest in them. Mark and I go back to my LifeWay days. I knew of his leadership abilities while there. I pursued him to come to ClearView. We have been talking for about 2 months. This is an opportunity for him to broaden his ministry responsibilities.

FBC Hendersonville is aware. They are saddened to lose him, but happy for him to have this opportunity.
